2017 FIDIC Awards - Call for nominations

Dear colleagues,

I have the pleasure to announce the call for entries for the 2017 FIDIC Awards. Award nominations are open to all firms or groups of firms that belong to FIDIC Member Associations, Associate Members, or Affiliates. All submissions should be endorsed by one FIDIC Member Association, Associate or Affiliate based in the country where the project is located or where the firm is based.

The awards are for projects that have been in operation for at least 1 year on the closing date for submissions and should have been completed in the last 5 years. A maximum of 25 entries will be accepted from each country.

Submitted projects must demonstrate innovation, quality, and professional excellence; the principles of transparency and integrity; and sustainability and respect for the environment.

Shortlisted firms will be encouraged to display a poster presenting their projects at the FIDIC International Infrastructure Conference in Jakarta, Indonesia (1-3 October 2017). More information about the conference in Jakarta is available at www.fidic2017.org

Firms that receive an award will be recognised at a special ceremony during the **FIDIC Conference Gala Dinner on Monday the 2nd of October 2017 in Indonesia.**

Detailed description, eligibility, submission materials, judging, and deadlines are enclosed in the attached documents.

I look forward to receiving Award nominations from all member countries.

Best regards,

Jae-Wan Lee

FIDIC Awards 2017

Programme

1. Introduction

FIDIC Awards are presented every year for projects that help world economies and communities to develop a higher Quality of Life.

2. Aims of the Awards

The FIDIC Awards will:

- promote FIDIC principles: Quality, Integrity and Sustainability
- celebrate outstanding projects where FIDIC member firms have had a major involvement
- help publicise the work of consulting engineering firms and the contribution they make to quality of life
- encourage others to understand and support FIDIC principles
- encourage the use of FIDIC contracts and guidelines

The Awards will support the aims of the Federation which are to promote the use of international FIDIC best practice and resources.

The FIDIC Awards will be presented at the Gala Dinner during the FIDIC International Infrastructure Conference, on **Monday 02 October 2017**. More information is available at www.fidic2017.org

3. Award Nominations

Award nominations are open to firms that have provided the main engineering services on projects of all types and all sizes.
