

RE: Invitation For Participation to the Future Projects Forum

His Excellency the Commercial Attaché at Embassy of Greece

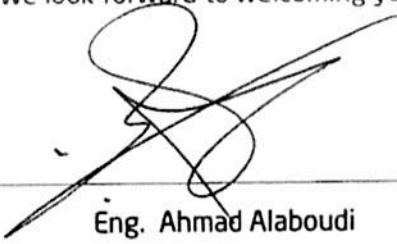

Saudi Contractors Authority (SCA) is delighted to invite you and your business stakeholders, particularly contractors, to join the 5th edition of Future Projects Forum (FPF2023), held on **May 22-23, 2023**, which following four highly-successful editions (2019,2020,2021 and 2022). We brought together project owners, contractors, investors and other stakeholders under one platform to collaborate and discuss potential business opportunities.

This event will showcase Giga, large, medium and small projects planned for execution over 2023 to 2025. Projects include (but are not limited to) infrastructure, housing, oil and gas, petrochemicals, operations and maintenance and most importantly, Saudi-Vision-2030-related projects. We expect more than **37 project owners** to participate and showcase thier projects. And attendees are estimated to be more than **800 contractors and stakeholders**. The list of participants is updated daily on the event website.

The opportunities are tremendous, and therefore, we would like to get your kind support to share this invitation with all your contractors and investors to take advantage and explore these projects. **As a gesture, we are offering a 20% discount by using code (EMB) for registration that is made on or before May 01, 2023.**

Registration is made through the event website - <https://fpf.sa/en> and if you need further information, please feel free to call our call centre on 920000968, contact the Event's team on +966530046467 or email us at [events@sca.sa](mailto:events@sca.sa).

We look forward to welcoming you and your contractors and investors to our event.

  
Eng. Ahmad Alaboudi  
Acting Governor
