IN ASSOCIATION WITH:

International Federation of Consulting Engineers
The Global Voice of Consulting Engineers

All participants will receive:
an Official FIDIC Course
Certificate &
the 2nd Editions of Red and
Yellow Books!

**This special
two-day
FIDIC Contracts
Module
programme has
been designed to
present and
discuss the
newest approach
in FIDIC Contracts**

MISSION

This course is aimed at **providing systematic and practical guidance to anyone engaged in national and international projects.**

It will appeal to representatives of contractors, employers, developers, project sponsors and funders, insurers, consulting engineers and architects, project managers, and lawyers.

COURSE DESCRIPTION

This course sets the foundation for understanding the methodology of FIDIC contracts, providing a comprehensive introduction to standard forms and procedures and analysis & comparison of the 2017 Second Editions of the Red and Yellow Books. As the 2017 Second Editions are advancing in the industry this course provides sound knowledge for the preparation of tender documents for new projects as well as guidance how to operate these conditions in the project execution.

WHO SHOULD ATTEND

The training course provides the necessary knowledge for professionals such are **Government Ministries and Agencies, Private Sector Employers, Consulting Engineers, Civil Engineers, Contractors, Quantity Surveyors, Architects, Legal Advisers and all involved with the implementation and management of Works Contracts.**

AN OUTSTANDING TWO-DAYS ACCREDITED FIDIC COURSE

LEARNING OUTCOMES

By taking this course you will acquire knowledge about:

- Introduction to FIDIC history, standard forms, and procedures;
- Analysis of the FIDIC Engineer's dual role in the FIDIC contracts;
- Recommendations on the adaptation of the FIDIC Conditions of Contract to the laws of the country and the specific project;
- **A clause-by-clause analysis and comparison of the FIDIC standard forms for major works:**
 - **Construction Contract 2nd Ed** (2017 Red Book, Reprinted 2022 with amendments)
 - **Plant and Design-Build Contract 2nd Ed** (2017 Yellow Book, Reprinted 2022 with amendments)

PRINCIPAL TUTOR

Robert A. Werth holds a degree in International Commercial Arbitration issued from the Chartered Institute of Arbitrators and is Fellow of the Institute; is Dipl.-Ing for Civil Engineering and Construction, is appointed on the FIDIC President's List of Approved Dispute Adjudicators and panelist of other institutions. Robert is publicly appointed and sworn as Expert for quantum and FIDIC conditions.

In the first part of his professional career, he was Principal Engineer and in management responsible for large and extra-large infrastructure projects before becoming a full-time Dispute Resolution Practitioner. Since then, he has served as an Arbitrator, Adjudicator or Dispute Board Member on International Contracts, frequently also as Expert Witness.

Robert has been appointed by the following competent appointing bodies; the ICC, the President of FIDIC, LCIA, the German Arbitration Institute, KfW and the Addis Ababa Chamber of Commerce and Sectoral Association.

Robert is appointed by his National Committee (ICC Germany) as a Delegate to the ICC Commission on Arbitration and ADR (the 'Commission').
